The colors shown are representative and approximate, as closely as possible, to concrete with a flat troweled finish sealed with BRICKFORM Gemseal. BRICKFORM is not responsible for job conditions, application methods, finishing techniques, curing methods and other variables and cannot guarantee the final appearance to be an exact match. Texturing or finishing techniques such as brooming or troweling, the use of sealers, and slight color-drifts in raw materials will produce variations of the colors. BRICKFORM strongly recommends a representative jobsite sample for each product.
